Vessel Name or ID Number: _____

Vessel Location: _____

I am the: Owner _____ Potential Purchaser _____ Owner's Rep. _____ Other _____

Survey Type: Pre-Purchase _____ Condition and Valuation _____ Appraisal _____ Damage _____ Virtual _____ Consultation _____ Mechanical _____

SCOPE of Work: I, MIGUEL SUAREZ, am committed to providing thorough and accurate surveys which meet or exceed the industry standard. The applicable mandatory and voluntary standards set forth by the U.S. Code, the Code of Federal Regulations, American Boat and Yacht Counsel and the National Fire Protection Association are used to inspect this vessel. This survey inspection is limited by its very nature, the time, accessibility, and circumstances. The report represents the condition and valuation of the vessel on the date(s) of survey only and is not to be construed to be a guarantee of future operation or condition.

Survey services are provided with the understanding that only reasonably accessible areas of the vessel will be surveyed. No inspection will be made of areas that are inaccessible to the surveyor at the time of the survey, nor the internal parts of the engine / machinery. The owner or their representative may do equipment power-up and testing, witnessed, by the surveyor. No destructive testing will be accomplished without the written agreement of the vessel owner. No machinery will be operated by the undersigned. No Rig inspection above eye level. No sea trial is included unless expressly requested and contracted separately. No mechanical inspection, unless contracted for specifically.

Your report is CONFIDENTIAL & PROPRIETARY and for your use as you see fit. The services rendered and the report provided are provided with the distinct understanding that the marine surveyor is not responsible nor liable under any circumstances whatsoever for any error, negligence or failure to properly perform the requested services and that all matters and statements contained in the report constitute statements of opinion and observations based on my skill, experience and training as a marine surveyor and consultant and are not to be construed as representations, warranties or guarantees and that no statements made or in connection herewith shall be a basis for any claim, demand or action against the marine surveyor. **Initial here: _____** If there is any dissatisfaction with the services provided, it is understood that the sole remedy to you will be the return of the fee paid for the survey services. *Under no circumstances will the compensation exceed the fee paid for the survey.* The Survey report content remains the property of the undersigned. The survey report purchasers may use the document for Purchase Process, Insurance, or Repair Estimates only. The undersigned surveyor reserves the right to amend or add to the final survey report when additional pertinent information is presented. Any adjustment in Valuations will only be considered with the presentation of information unknown or undiscoverable to the undersigned at the time of inspection.

SURVEY Time: The survey time represents up to 5 hours of service on site for your vessel.

Payment *is due and payable in advance* **Initials here: _____**

Additional Time: Each additional hour required will be billed at \$100 Hr. Should any special circumstances arise which require additional time or service, the cost will be discussed and the fees adjusted appropriately (unexpected travel, significant delays, additional consultation time, etc.). An advanced retainer may be required for inspections requiring travel and additional expenses.

Abandoned Survey: Likewise, should the survey itself be shortened / abandoned due to significant unsatisfactory findings, a minimum charge of \$100, plus expenses incurred will be charged and no written report will be prepared.

Cancellation / Postponement Fee: If for any reason, this service is cancelled / postponed prior to the on-site inspection, a minimum Fee of \$125, plus any expense and reimbursement, will be charged. The surveyor reserves the right to waive these fees.

Payments are Due and Payable, in advance / at time of inspection in US funds.

NOTE: The survey report will be ready in approximately seven (7) business days Plus Fluid Analysis delivery time, following the date of the survey and will be emailed to the address provided unless otherwise indicated. Rush services are available by pre-arrangement; Min. rush charge is \$125.00. *No reports will be delivered without Payment in FULL. This request for survey will be construed to be acceptance of the above conditions. I have read, understand and agree to the stated terms.*
